* Data include juveniles under the age of 10.

**** NOTE: This category of offenses has been revised from previous year's annual reports to include only the four property crimes per the UCR Program Property Crime Index: burglary, larceny-theft, motor vehicle theft, and arson.**

Subsequently, the "All Other Offenses" category has been revised to include property-related offenses that were previously included in the Property Offenses category (i.e., forgery & counterfeiting, fraud, embezzlement, stolen property, and vandalism).

**Note: 2011 Juvenile arrest data should not be compared to previous years' data due to the
from Summary UCR to NIBRS reporting and the inaccurate trend in the "all other offenses" .**
